### **IVR INSTRUCTIONS**

The Bureau of Eligibility Determination, Economic Security Administration (ESA) determines eligibility for the DC Medicaid Program.

Providers should verify the beneficiary's name and identification number, effective dates of eligibility, services restricted to specified providers, and whether other insurance is on file (commonly referred to as third party liability) before rendering services.

Beneficiary eligibility may be verified by calling the Interactive Voice Response System (IVR) using a touch-tone telephone and entering the beneficiary identification number found on the beneficiary's Medical Assistance ID card. The IVR is available 24 hours a day, seven days a week with unlimited number inquiries being performed per call. The IVR may be used up to 30 minutes per call. Providers should also have their DC Medicaid provider number or NPI number ready.

To access the District of Columbia Government Medicaid IVR, dial (202) 906-8319 (inside DC Metro area) or (866) 752-9233 (outside DC Metro area) from your touch-tone phone. Select one of the following options listed below and follow the prompts. The system will prompt you to enter your nine-digit Medicaid provider number or 10-digit National Provider Identifier (NPI) followed by the pound (#) key.
